See our website for details at: <http://fwp.mt.gov/hunting/licenses/all/apprenticeHunter/default.html>

A resident or nonresident **youth 12 years of age or older** may hunt any game species for which their license is valid. Those who will reach 12 years of age by January 16, 2017 may hunt any game species, for which their license is valid, after August 15 of the 2016 license year. General Regulations

Access –

- **Private Land Access** – Montana law requires permission for all hunting on private land. Even if the land is not posted, hunters must have permission from the landowner, lessee, or their agent before hunting on private property. Visit FWP's website for the Hunt Planner or visit geoinfo.msl.mt.gov for assistance with land ownership.
- **Railroad Access** – Railroad right-of-ways are private property and may not be hunted without permission from the railroad.
- **State School Trust Lands** –
 - This \$2 fee is paid when you purchase your conservation license and it provides hunters, anglers, and trappers access to legally accessible State School Trust Lands.
 - Overnight (2 night) camping is allowed within 200 feet of a legal access point.
 - Horses may not be kept on state land overnight.
 - Motorized travel is only allowed on public roads or on roads designated as open.
 - Game retrieval is by foot or horse only.
 - No open fires are allowed except in designated campgrounds.
 - Firearms may not be discharged within one-quarter mile of an inhabited dwelling or outbuilding without permission of the inhabitant.
 - Additional information is available from FWP or contact DNRC at 406-444-2074.
- **Tribal Land** – Unless permitted by a State-Tribal cooperative agreement, non-member hunting within the exterior boundaries of Indian reservations is prohibited except as authorized by law. Deeded land within the exterior boundary of the Crow Reservation is open to hunting with a State of Montana Turkey license.

Airplane Spotting – Aircraft may not be used to locate big game animals for the purpose of:

- Hunting those animals during the same hunting day after a person has been airborne, or;
- Providing information for another person for the purpose of hunting those animals within the same hunting day after being airborne.

The use of unmanned aerial vehicles (UAVs or drones) for the purpose of locating, spotting or hunting big game, upland birds or other species under the management authority of FWP during commission-established hunting seasons is prohibited.

Check Stations – All hunters are required to stop as directed at all designated check stations on their way to and from hunting and fishing areas, even if they have no game or fish to be checked. It is unlawful to avoid game checking stations or FWP enforcement personnel, or to facilitate illegal activity.

Evidence of Sex – No person shall transport within the state any turkey taken during the spring (male) season unless one leg and foot are left naturally attached for evidence of sex. The leg and foot shall remain attached at all times while being transported from the place where taken until they have arrived at the permanent residence of the possessor.

Hunter Education – All persons born after January 1, 1985, are required to provide proof of completion of a Montana hunter safety and education course or an approved hunter safety course from any other state or province prior to applying for or purchasing a Montana hunting license.

Hunting Hours for Turkey – One-half hour before sunrise to one-half hour after sunset. Refer to the sunrise/sunset tables in these regulations.

It is unlawful for anyone to hunt or attempt to hunt any game animal or game bird:

- from any self-propelled (motorized) or drawn vehicle. Even if the vehicle is not moving, hunters must be off or out of the vehicle. Holders of a "Permit To Hunt From A Vehicle (PTHV)" are the exception to this;
- from, on or across any public highway or the shoulder, berm, barrow pit or right-of-way of any public highway; or
- by the aid or with the use of any set gun, jacklight, spotlight or other artificial light, trap, snare, salt lick, or bait, as per Montana law. (Baiting shall mean the placing, exposing, depositing, distributing, or scattering of corn, wheat, or other grain or food sources so as to constitute a lure or attraction. Nothing shall prohibit the taking of birds over standing crops or harvested cropland or grains scattered as a result of agricultural harvesting).

Limit – A turkey hunter may hold up to 9 wild turkey licenses per year. This may include:

- 1 General Hunting Area Turkey License;
- 1 Regional Turkey Area License in each of Regions 1, 2, 5 & 7 valid for male turkey in the spring and either-sex turkey in the fall (Region 5 license only valid in the spring);
- 1 Female or Beardless Turkey license in each of Regions 1 and 2 (Region 2 license only valid in Missoula and Ravalli counties).
- 1 Spring and 1 Fall Special Drawing Turkey License.

Marked or Radio-Collared Animals – It is legal to shoot game animals that have radio collars, neck bands, ear tags and/or other markers, but markers and radio collars must be returned to FWP. Please report the killing of a marked animal to the local FWP Office.

Means of Taking – the use of poisonous, explosive, or deleterious substances on or in any bullet, projectile or arrow is prohibited in taking game birds and animals. Wild turkey may be taken with:

- a shotgun not larger than a ten gauge;
- a long, recurve or compound bow and arrow;
- A rifle or handgun may be used during the **fall** season except in areas with a weapons restriction.

Recorded Animal or Bird Sounds – It is unlawful to use any recorded or electronically amplified bird or animal calls, sounds, or imitations of bird or animal calls or sounds to assist in the hunting, taking, killing, or capturing of any wildlife except predatory animals as per Montana law.

Tagging – Immediately after harvesting a turkey, hunters are required to validate the license. To validate a license, the triangles denoting the month and day the animal was killed must be completely removed. Tearing, slicing or punching the tag is not legal. Affix the license to the turkey so it remains secure and visible at all times.

Two-way Communication – Two-way electronic communication (radios, cell phones, text messages, etc.) may not be used to:

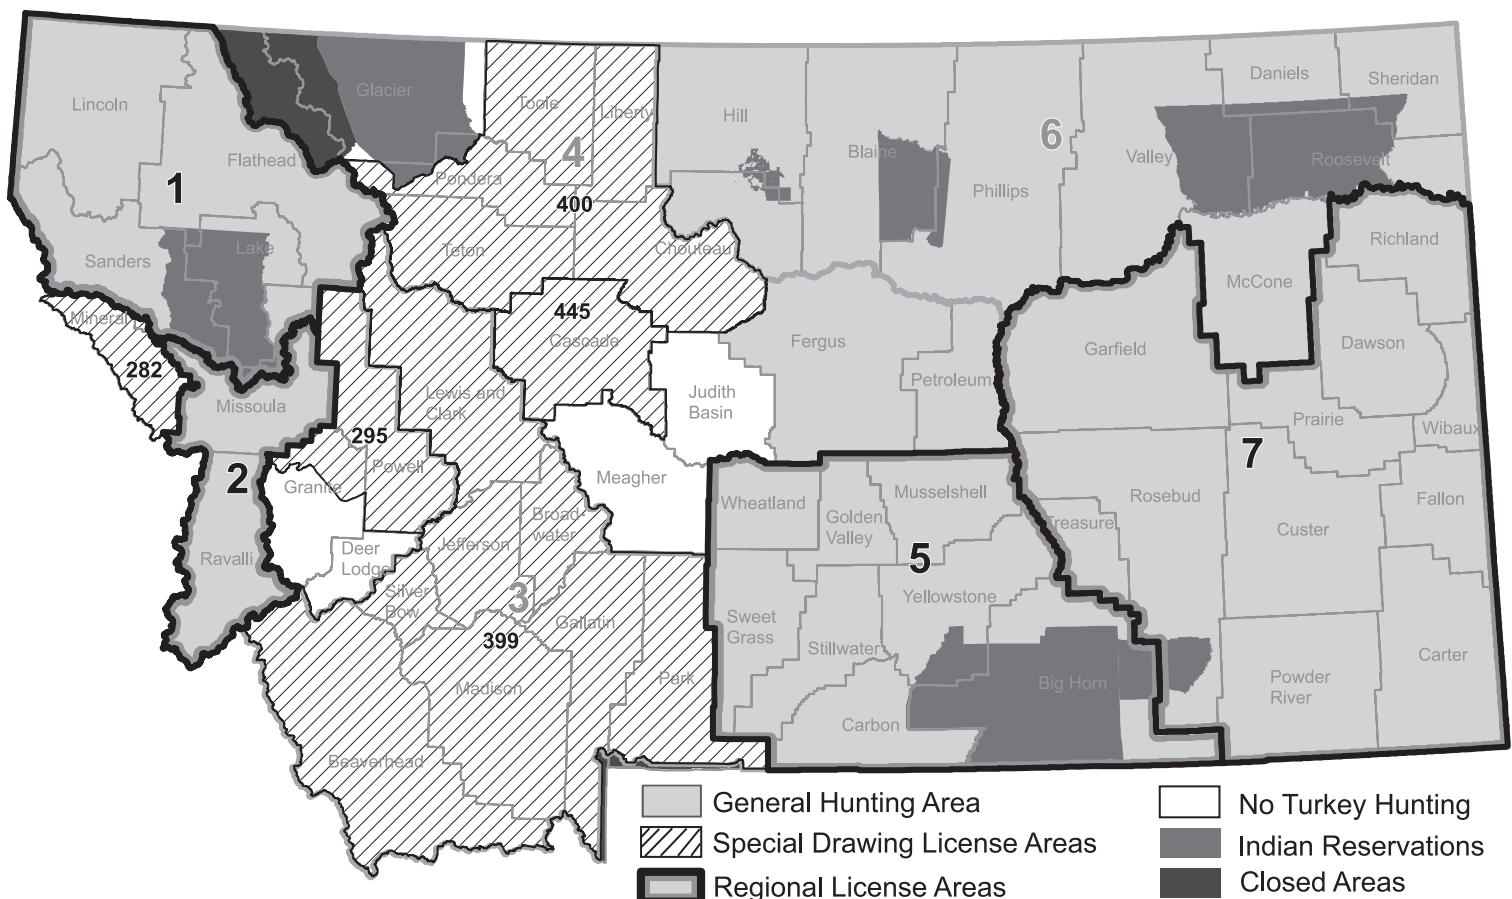

- hunt game animals or upland game birds, migratory birds, or furbearers as defined in Montana law ("hunt" means to "pursue, shoot, wound, kill, chase, lure, possess or capture."); OR
- avoid game checking stations, FWP enforcement personnel, or to facilitate illegal activity.

The rule does not prohibit the possession or use of two-way communication for safety or other legitimate purposes.

Wanton Waste – It is illegal to waste any part of any game animal, game bird, or game fish suitable for food. Following are turkey parts suitable for food: breasts, thighs and wings.
